Art Unit: 3662

1. Claims 1-12 are allowed.
2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
3. The restriction requirement mailed on 9/23/04 has been reconsidered. It is believed that the search and the examination of the entire application would be a serious burden because the groups of claims are related as subcombinations, having separate utility, and a separate status in the art because of their recognized divergent subject matter. Furthermore, group I (342/428) and group II (342/145) require separate searches.
4. This application is in condition for allowance except for the presence of claims 13-33 to an invention non-elected with traverse in the reply filed on 10/13/04. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dao L. Phan whose telephone number is (703)306-4167. The examiner can normally be reached on M-F 9:00-5:30.
